Frosted glass with acid. Engraved design with "V-shaped" 10 mm wheel, polished finish.

■
VI 103

Cristallo satinato ad acido con disegno inciso con mola a "V" da 6 mm, perimetro esterno finitura lucida, disegno interno finitura grezza.

Frosted glass with acid. Engraved design with "V-shaped" 6 mm wheel, polished outer perimeter, interior design with rough finish.

■
VI 106

Cristallo satinato ad acido con disegno inciso con mola a "V" da 6 mm, perimetro esterno finitura lucida, disegno interno finitura grezza.

Frosted glass with acid. Engraved design with "V-shaped" 6 mm wheel, polished outer perimeter, interior design with rough finish.

■
VI 107

Cristallo satinato ad acido con disegno inciso con mola a "V" da 6 mm, perimetro esterno finitura lucida, disegno interno finitura grezza.

Frosted glass with acid. Engraved design with "V-shaped" 6 mm wheel, polished outer perimeter, interior design with rough finish.

■
VI 108

Cristallo satinato ad acido con disegno inciso con mola a "V" da 6 mm, finitura lucida.

Frosted glass with acid. Engraved design with "V-shaped" 6 mm wheel, polished finish.

■
VI 111

Cristallo satinato ad acido con disegno inciso con mola a "V" da 6 mm, finitura lucida.

Frosted glass with acid. Engraved design with "V-shaped" 6 mm wheel, polished finish.

■
VI 114

Cristallo satinato ad acido con disegno inciso con mola a "V" da 10 mm, finitura lucida.

Frosted glass with acid. Engraved design with "V-shaped" 10 mm wheel, polished finish.

■
VI 117

Cristallo satinato ad acido con disegno inciso con mola a "V" da 6 mm, finitura lucida.

Frosted glass with acid. Engraved design with "V-shaped" 6 mm wheel, polished finish.

■
VI 119

Cristallo satinato ad acido con disegno inciso con mola a "V" da 6 mm, finitura lucida.

Frosted glass with acid. Engraved design with "V-shaped" 6 mm wheel, polished finish.

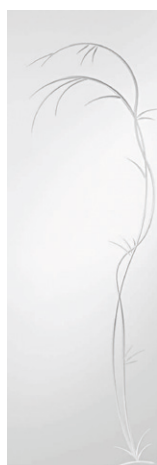

■
VI 124

Cristallo satinato ad acido con disegno inciso con mola a "V" da 6 mm, perimetro esterno finitura lucida, disegno interno finitura grezza.

Frosted glass with acid. Engraved design with "V-shaped" 6 mm wheel, polished outer perimeter, interior design with rough finish.

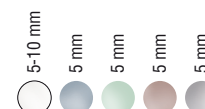

■
VI 126

Cristallo satinato ad acido con disegno inciso con mola a "V" da 6 mm, finitura lucida.

Frosted glass with acid. Engraved design with "V-shaped" 6 mm wheel, polished finish.
