Dalle prove di resistenza al graffio dei laminati più prestigiosi, nasce «Sindecor Light Plus» di Lamalegno, con la possibilità di creare diverse soluzioni d'arredo.

«Sindecor Light Plus» collection is the result of the most advanced scratches endurance tests performed by Lamalegno on laminated boards. Therefore, it offers a variety of solutions based on the use of top-quality laminated boards.

«Sindecor Light Plus» de Lamalegno naît des essais de résistance à la rayure des lamellés les plus prestigieux, avec la possibilité de créer différentes solutions de décoration.

De las pruebas de resistencia al rayado de los laminados más prestigiosos, nace «Sindecor Light Plus» de Lamalegno, con la posibilidad de crear diversas soluciones de decoración.
